HOUSEHOLD HAZARDOUS WASTE COLLECTION

The next collection of Household Hazardous Wastes will take place on Thursday, June 2 from 3:30 to 7:30 pm at the Public Works Garage in Nashua near the Police Station. Residents of Nashua and surrounding communities (Amherst, Brookline, Hollis, Hudson, Litchfield, Merrimack, Milford, Mont Vernon, Pelham and Windham) may bring up to 10 gallons or 20 pounds of hazardous wastes from their homes. There is a \$10 charge per vehicle, to help defray the cost of proper disposal of the chemicals.

Accepted wastes include oil and lead-based paints, thinners, turpentine, pool chemicals, cleaners, adhesives, pesticides, muriatic acid, lithium and button batteries, and mixed gasoline. **No latex products or waste oil are accepted.** Call 589-3413 for more information.

Check the website of the Nashua Regional Planning Commission - www.nashuarpc.org for information on alternatives to hazardous products.
